11. What is its story?

Ben Haim is a family-run boutique winery whose roots go back to early 20 th century Europe.

Throughout the generations, the family has remained devoted to the wine industry, working as barrel makers, vintners and wine traders.

Still today, Benhaim's production is based on Old World methods, using traditional barrels and aging the wines over many years.

12. Kosher certification

Since 2001.

The wines are not mevushal.
